

# THE BEEHIVE

KEEPING LOCAL BEEKEEPERS INFORMED

Northwest Ohio Beekeepers

January 2007

Volume 18, Issue 3

## January Meeting, Tuesday 23rd

The January meeting will be held on Tuesday the 23rd at 7:30PM at the Pandora School. We will be discussing ideas for the coming meetings so we may plan ahead and have some exciting speakers and topics lined up for the new year!

## OSBA Queen Project, 2007

The Ohio State Beekeepers Association is beginning to put together a project to promote queen rearing in Ohio. While it is in the very preliminary stages, it will likely involve offering seminars to beekeepers around the state, and a group effort to obtain and evaluate stock so that we may improve our bees. I think this a great project that may pay long term dividends to beekeepers in Ohio. If anyone is interested in rearing their own queens, even in small numbers, please contact me so that I can make sure all interested parties in our area receive information as it becomes available. - Tim Arheit 419-371-1742
